BLIND SPOT
*Through the Wormhole of
Science and Religion*

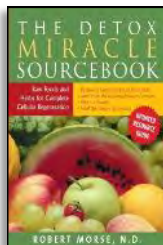

Moss Campion

Although there are numerous books available today about nonduality, only

Blind Spot addresses the critical distinctions that exist between the conventional approaches to spirituality—indeed, to life itself—and the nondual approaches. The book explores how these same distinctions also play out in the sciences.

THE PHYSICS OF MIRACULOUS HEALING

*How Emotion, Mind,
and Spirit Enable
Unlimited Self-Healing*

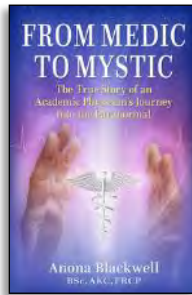

Joseph Selbie
www.josephselbie.com

No disease is incurable. Extraordinarily miraculous healing is possible. Modern physics' breakthroughs in quantum physics and M-Theory, along with scientifically verified phenomena such as the placebo effect and instant physiological changes undergone by multiple-personality sufferers—support millennia old spiritual traditions that suggest that not only is extraordinary healing possible, but that we have innate soul powers—our emotions, personal beliefs, and our ability to connect to Spirit—that directly and powerfully determine our health and ability to self-heal. Selbie has written four translated titles including *The Physics of God*.

PERSONAL TRANSFORMATION

FROM MEDIC TO MYSTIC

*The True Story of an
Academic Physician's
Journey into the
Paranormal*

Dr Anona Blackwell

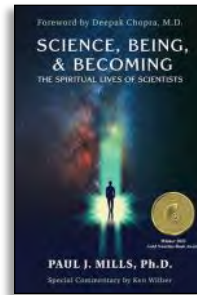

In this candid memoir, Dr. Anona Blackwell shares her remarkable journey from orthodox-trained medic to unapologetic mystic. Chronicling her dual professional life as a highly respected, **Lancet-published academic physician** while also investigating powerful psychic and paranormal experiences in her work and personal life, Dr. Blackwell presents compelling evidence for telepathy, clairvoyance, near-death experiences (NDEs), life after death, the power of prayer, non-ordinary reality, and more.

By sharing her forays into non-ordinary reality Dr. Blackwell encourages others to share their own paranormal experiences.

GRAND-MOTHERS' WISDOM

Forward by Vandana Shiva

Living Portrayals from the International Council of Thirteen Indigenous Grandmothers

Grandmothers' Wisdom is a vibrant tribute to the lives of thirteen indigenous Grandmothers who came together to protect our planet in crisis and envision a future for the next seven generations. These remarkable wisdom keepers of traditional medicine and Indigenous spirituality, preserve the ancient wisdom traditions and traditional ecological knowledge that have served our planet Earth for millennia. This special work is a living portrayal of their upbringing, encounters with the violence of colonialism and forced assimilation, their awakening to fierce activism, and the ceremonial practices they carry forward from their lineages with tenacity, grace and devotion.

PSYCHEDELIC INTERGRATION
Psychotherapy for Non-Ordinary States of Consciousness

Marc Aixela

Recent years have seen a global explosion in the field of psychedelic research, popularizing of the use of non-ordinary states of consciousness to aid in PTSD, anxiety, depression, and end of life, and a growing sense that the use of substances like MDMA, psilocybin and others may become mainstream.

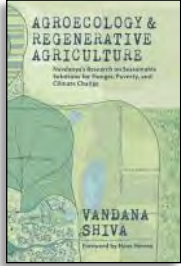

This trailblazing guidebook is for anyone interested in psychedelic-assisted therapy. Psychologist and psychotherapist Marc B. Aixela traces the evolution of psychedelic-assisted therapy and integration research from the 1960s to the present moment, explains therapeutic techniques, and outlines a clinician's real-world observations on the deep work of healing. **Originally in Spanish**

PHILANTHRO-CAPITALISM: THE EROSION OF DEMOCRACY
A Global Citizen’s Report on the Corporate Control of Technology, Health, and Agriculture

Philanthrocapitalism details how global philanthrocapitalists like Bill and Melinda Gates and affiliated entities work to monopolize and privatize sectors of land use, food production, and public health on a global scale. This anthology pulls back the curtain on how ruthless exploitation branded as philanthropic altruism forges a direct path to global destruction. Their initiatives erode the integrity of democratic institutions often under the banner of future-oriented innovations.

Illustrated Guide to the Symbols of Spirit and Thought

M B Jackson

Sigils are symbolic icons designed for a specific magical purpose. In modern times, Chaos magicians employ Sigils as Monograms of Thought, psychological symbols of intent and desire, created by the conjurer in their personal quest of mystical exploration. Fully illustrated guides to these magic symbols accompany full explanations from down through the time.

THE SIGIL SECRET

Using Magic Symbols to Protect, Heal and Create

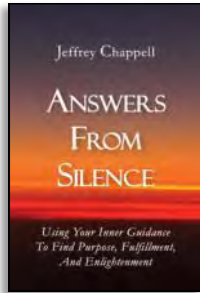

Mark Vincent

Sigils have been used to magically protect, heal, and create since the dawn of humanity. The art of making these magical symbols was almost lost...but this book breathes new life into this ancient spiritual craft. Sigil expert and clinical hypnotherapist Mark Vincent draws on his extensive knowledge of neuroscience, psychology, and therapeutic approaches combining them in this book with his personal experiences in the world of magic.
