

Katrin Roßnick

Kick and Cook

The Cookbook for the Football World Cup 2018

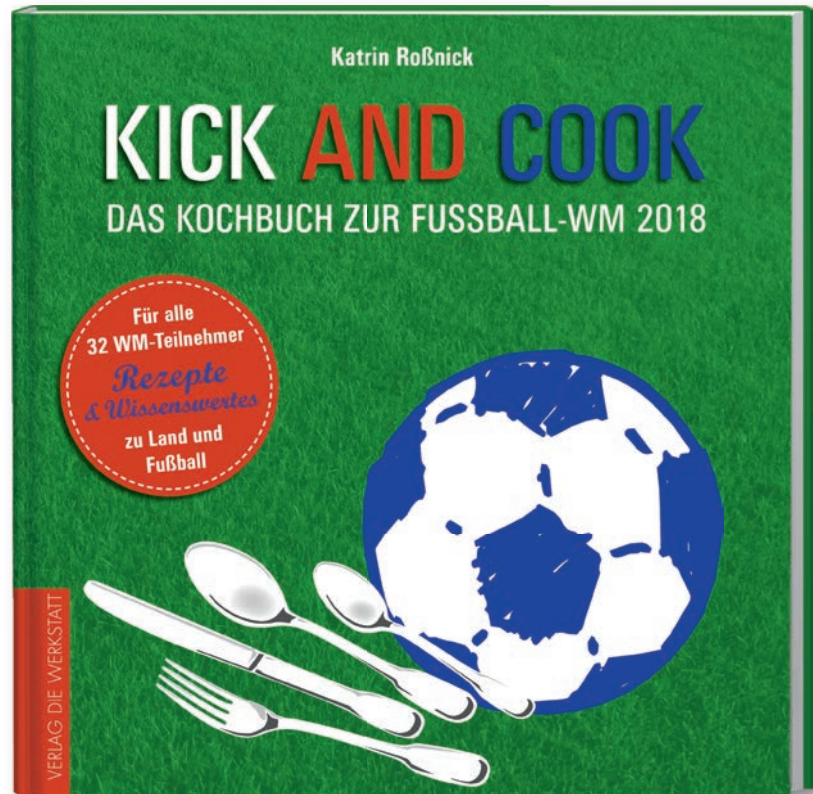

You invited some friends to watch together some World Cup 2018 match and don't know what to serve? Well, why not serve some typical dishes of one (or both) of the nations who are going to play? This cookbook offers recipes from all participating nations, along with some information on the country and its footballing history. In addition, the book is illustrated with beautiful photographs by food photographer Andreas Keudel. Let the games begin!

The author

Katrin Roßnick loves both cooking and watching football so a cookbook for the World Cup was just the next logical step. She has already published successful cookbooks for the World Cup 2014 and the EURO 2016.
