Getting older confidently

Yoga teacher Elena Lustig has developed ProAgeYoga, a program to experience the process of aging as enriching. With methods from coaching and yoga you learn to use the processes of change for yourself and to keep your body and mind awake for everything that is and for everything that comes. Getting older means accumulating experience and wisdom, and yoga helps you to live authentically and fulfillingly. The goal of ProAgeYoga is to recognize the good in us through the training of body and mind and to meet aging with self-respect and self-acceptance.

Elena Lustig teaches Yoga since 2010 and is Certified-Anusara®-Teacher since 2017. Together with Annette Söhnlein she has already published the exceptionally beautifully designed book "Innen.Außen - Das Yoga-Chakra-Buch". In her life she combines Buddhist wisdom with the teachings of yoga. With ProAgeYoga® she shares her experiences and supports people to live authentically and fulfilled.

Open Your Heart By Meditation

Love is often understood as a feeling that irrupts us only if we are lucky. It is rarely seen that love requires a determined intention and active action. Meditation teacher Marie Mannschatz explains in her book that we can fulfill our longing for love when we take daily decisions about tender action and feelings.

We can encourage this process through metta meditation, a meditation of loving-kindness. The author “translates” traditional exercises into a contemporary language and describes how metta meditation leads us to a new understanding of love, compassion and heart warmth and gives us the strength to release.

Her book contains a variety of practical exercises.

Women On Their Way To Themselves

The power of a joyful life - In many people the longing for an equal partnership between woman and man in private and public life has awaken. And this desire also involves an awakening and strengthening of the wild beauty and profound wisdom that is slumbering in all women. After an intensive study of important female characters from the Jewish Christian mythology and other mythological sources, the author develops the fascinating and lively vision of a strong, wild and wise femininity - the feminine archetype of the heroine, whose power and devotion is so much missing today.

“Every woman becomes beautiful, wild and wise, when she is ready to share generously with others the inner wealth which she has gained on the long journey of her personality development.”

The Journey Of A Taiji Master In East And West

A HERO'S JOURNEY TO HIS OWN VITALITY AND POWER OF LOVE

This book tells the impressive and exciting life story of a Taiji master between east and west and how he became a man, a teacher, a master, and finally a lover.
His development is marked by encounters with the dragon: a figure that, in the west, embodies all existential human fears. In eastern understanding, however, the dragon is a symbol of inner strength which has to be found and controlled.

Taiji Master Frieder Anders teaches and practices Tajiquan since four decades and counts as an expert in this field. In 1980 he opened the first professional Taijiquan-school in Germany. He is the author of many books (and DVDs) about Taiji and teaches at the Taiji Academy in Frankfurt, Germany.

- Personal insights in the development as a man and Taiji master
- Steering one's strength into a certain direction
- Interesting combination of western psychoanalysis and eastern wisdom

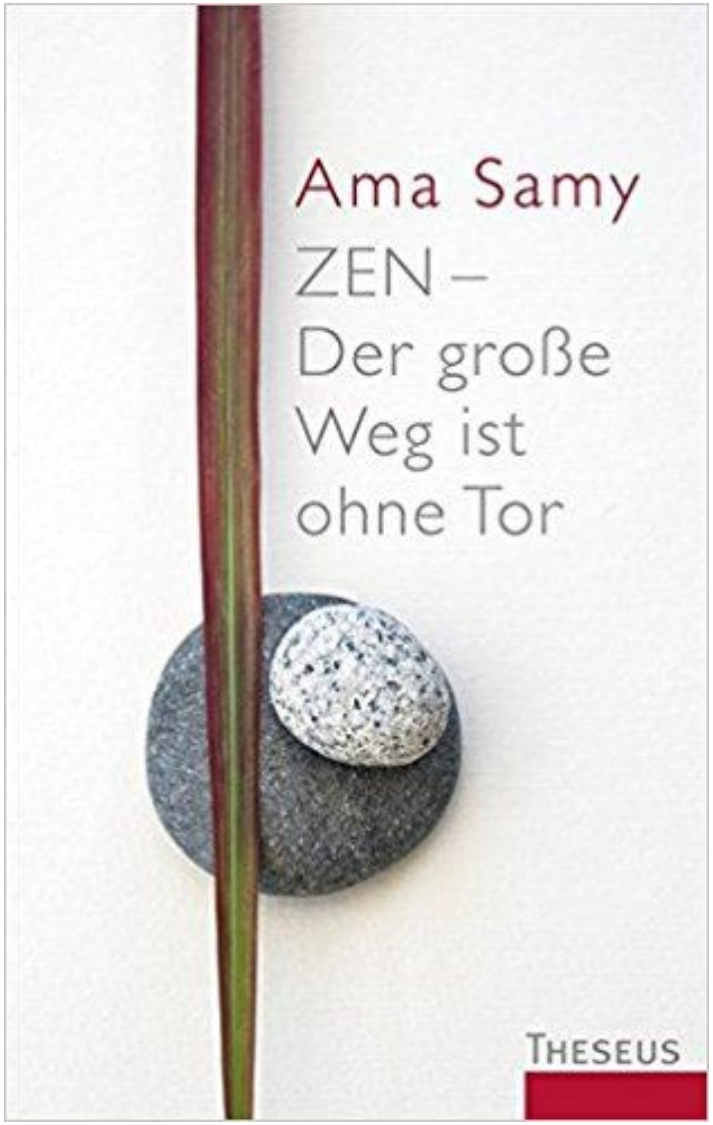
Zen –The Large Path Has No Gate



Publication Date: April, 2014
Author: Ama Samy
Pages: 240
Imprint: Theseus

Zen Master Ama Samy has found exciting answers, perhaps because he is sitting between all chairs. He is an Indian and grew up in Burma. His family is Hindu and his grandfather was a student of a Muslim master. He attended a Catholic school, became a Jesuit and a Catholic priest and received his authorization as the first, and so far the only, Zen teacher in India from a Japanese Roshi, who included many Christians from all over the world as his disciples.

In these new Zen lectures (teishos), Ama Samy explains his way of teaching and practicing zen, adding illuminating zen stories and koans.

New perspectives and nuances of Zen, especially in the dialogue between Buddhism and the Christian tradition, give us valuable inspiration to follow our own spiritual path in openness and inner freedom.

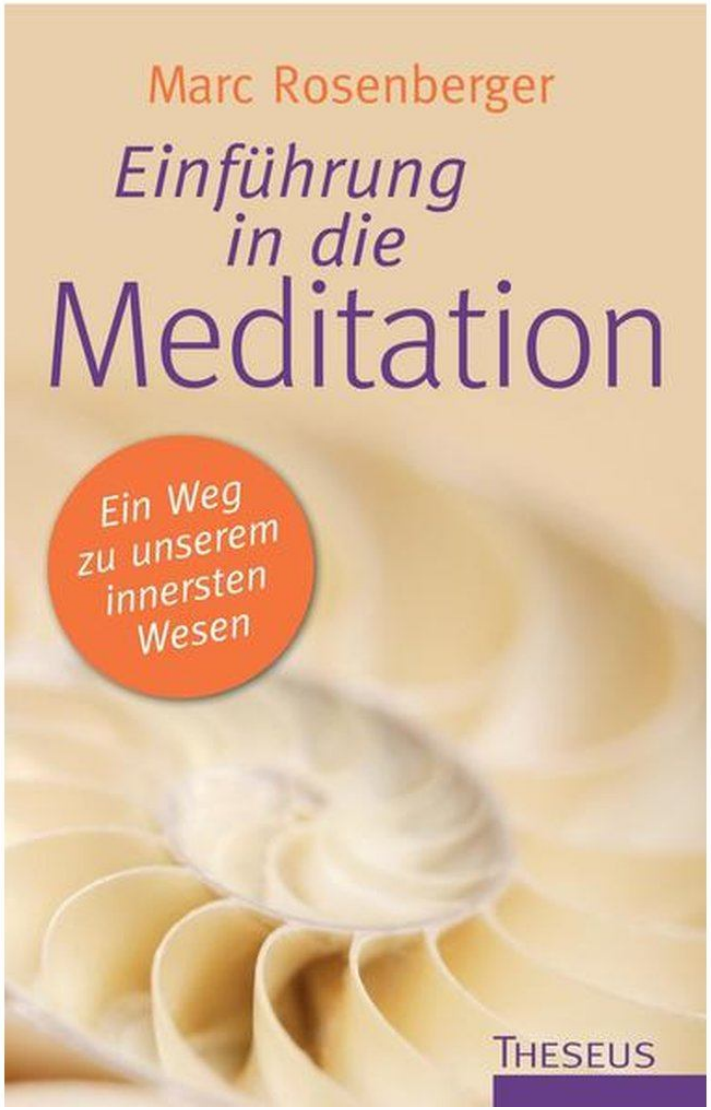
Zen-Insights And Calligraphies

"Back to the pure source" unites central Zen insights with the expressive calligraphies by the Catholic priest and Zen teacher Karl Obermayer

Zen is always about the last questions of our human existence. The answers are not sought in this spiritual tradition on the rational level; they are revealed directly in experience. If you allow yourself to live this experience, you will touch the spirit of all religions.

The author also spent many years with studying the art of calligraphy as an art of Zen and his book contains not only fundamental considerations about the Zen Path but includes a variety of calligraphies, which illustrate his words in an aesthetically convincing manner.

Introduccion To Meditation



Publication Date: December, 2013
Author: Marc Rosenberger
Pages: 138
Imprint: Theseus

A Way To Our Innermost Being

Meditation has a beneficial effect on our physical and physical well-being. In order to master our most demanding everyday life and to enjoy moments of silence, we need time for our inner intimacy. But although we think about how to calm our mind, our intellect has only limited possibilities and we need other tools to liberate our fears and resistances and sometimes overpowering.

Meditation teacher Marc Rosenberger offers in this book a helpful guide, which also gives beginners the opportunity to practice themselves in thought and concentration and to fathom their own awareness. The author explains the meaning and the necessity of meditation for starting with our everyday routines. Like his teacher Willigis Jäger, he draws both from Eastern Zen and Western Christian mysticism and shows us the way to an extremely exciting journey to ourselves.

Dharma Coaching

How To Find Clarity And Serenity

What encourage happiness and well-being? How can we lead our life in a way that we do not create unnecessarily suffering for ourselves or for others? How can we orient ourselves?

All these questions are about ethical self-management. From a Buddhist perspective, ethical integrity has little to do with regulations, obedience, or rituals. However, it is indispensable that we train our consciousness.

As an experienced meditation teacher and coach, Tineke Osterloh applies Buddhist wisdom to our daily lives and shows how we can develop an inner ethical compass in a natural way.

What You Always Wanted To Know

Yoga has long since ceased to be a mysterious, exotic practice of some insiders, but has arrived in the West in health centers, fitness studios, folk high schools or yoga studios. However, yoga has emerged in a different culture and resides in a foreign philosophy. Yoga practitioners usually need answers to the following questions:

Why are there so many forms of yoga? How did yoga come to the West? Can anyone practice yoga? Do you need to be particularly agile to practice yoga?

Anna Trökes has summarized in this book 60 questions about yoga and answers them briefly and concisely. Her book is aimed at both yoga teachers and students .

...And Other Stories About Yoga

Yoga is a life-style and philosophy, which long ago found its way into the West. Many of the so-called physical exercises, asanas, have their origin in Indian mythology. It is about "Durga's struggle with the demon Mahaasura," "Visnu's sleep between the world ages", "Nataraja, the Lord of the dance", "Arjuna, the famous archer".

In her book, Anna Trökes tells us stories about the rich treasure of the yoga tradition and the Indian wisdom culture. From her own experience as a yoga teacher, she knows that these stories can contribute to experience yoga exercise and orientation in a deeper way. They call the eternal child in us who likes.

An inspiring book that provides an insight into the Indian culture of yoga in an entertaining way.

She shows us in this book how to prepare yourself for meditation, how to meditate and how to avoid possible obstacles.

The Zen Of Happy Working

Publication Date: September, 2012
Author: Peter Steiner
Pages: 192
Imprint: Theseus

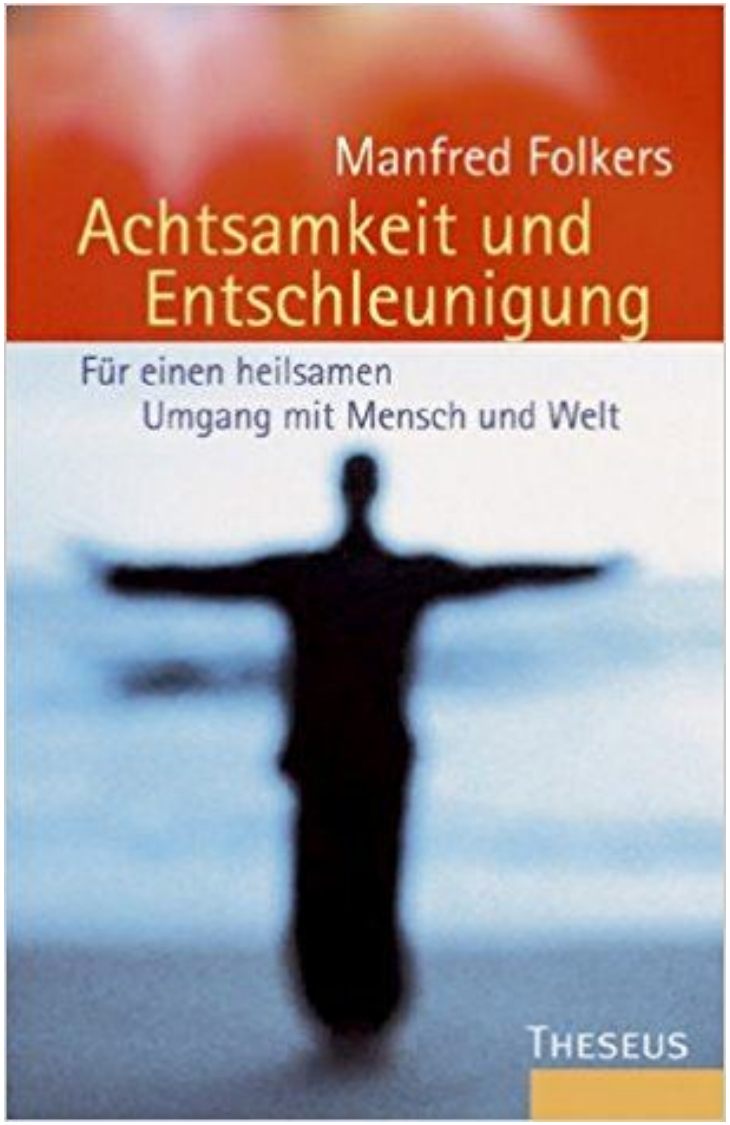
More Sense And Satisfaction For Job And Everyday Life

The first thing we should understand is that a job is never just a job. Our work is an expression of our life, and we all spend a lot of time in and with it. This should be reason enough for us to look for more satisfaction at work.

Zen can show you the way. Who am I and what do I really want? Zen helps us to look deeper and to recognize new connections of our inner.

Practicing Zen, we can find peace and happiness within ourselves, which is the basis for a successful action.

Mindfulness and Deceleration



Publication Date: July, 2012
Author: Manfred Folkers
Pages: 192
Imprint: Theseus

For A Healthy Dealing With Mankind And World

Think globally and start locally practicing mindfulness and deceleration!

Manfred Folkers explains us in his book that we must start first in ourselves if we want to discover mindfulness and slowness. In order to support this process, the author has selected for this book numerous practical tutorials from the fields of meditation, Tai Chi and Qigong.

While we are able to pause and look more closely, our gaze is also sharpened watching to the pressing societal issues of our time: the overexploitation of nature, the worldwide increase of violence and the impending collapse of a mode of economic activity whose existence depends on producing and consuming faster and faster.

The author shows us in his work how we can counterstrike these global threats through slowing down and developing mindfulness when we are dealing with nature and our family, friends and neighbours.

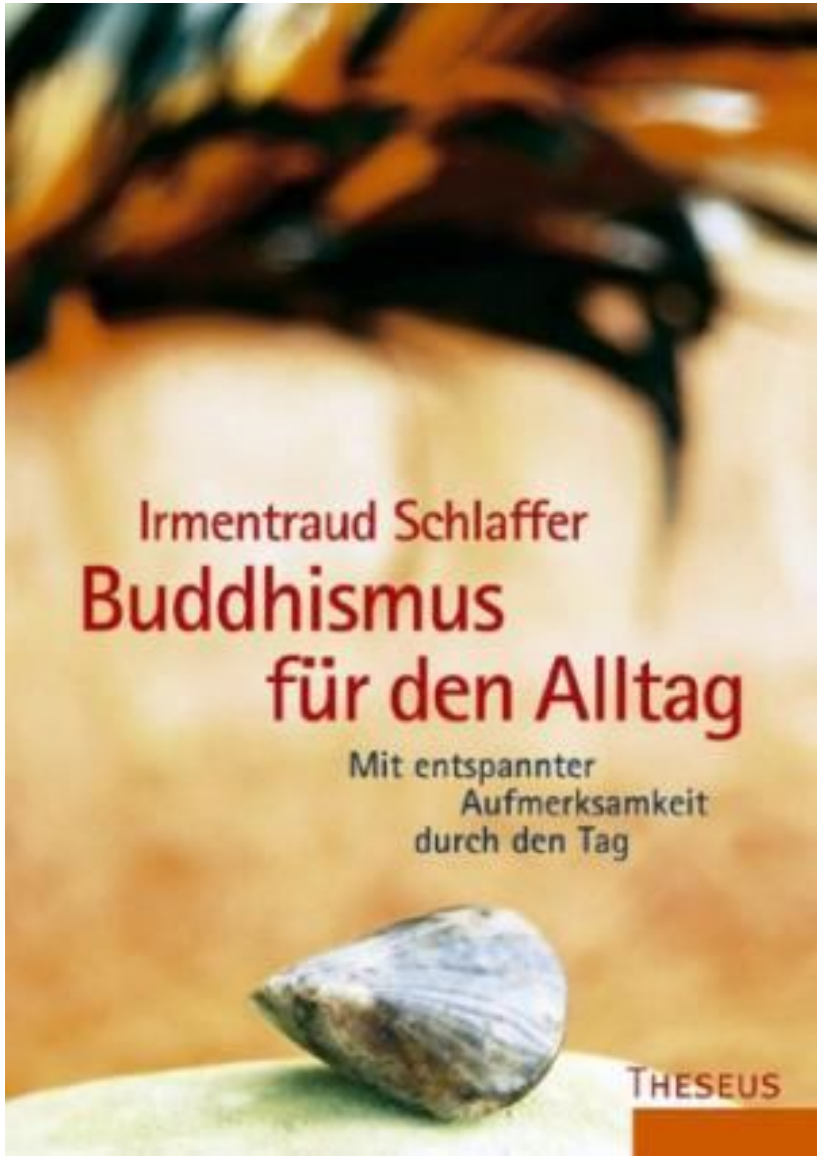
Buddhism For Every Day



Publication Date: February, 2012
Author: Irmentraud Schlaffer
Pages: 160
Imprint: Theseus

Relaxed Through The Day With Attention

People who are looking for Buddhism usually find two types of books: those that represent the world of ideas and the history of Buddhism, and those in which a teacher explains the formal practice of meditation. Both are useful, but not suitable for everyone. An exciting third way is chosen by Irmentraud Schlaffer.

In her book she shows that we can experience the insights of Buddhism directly in everyday life - without meditation pillows and without an excess of abstract therapy. The author shows how Buddha has developed his teachings from the observation of everyday life, explaining us a way to rediscover these teachings in our everyday activities, such as looking at the empty refrigerator, waiting for the delayed train or getting through a severe cold. This book offers a very practical access to the timeless wisdom of Buddhism.
